"All approvals for moves will be issued by the Housing Unit through the block managers. Persons who made applications and reservations which cannot be approved, for various reasons, will be notified directly by the Housing Unit. In no instances will it be necessary for the applicant to make second visit to the Housing Unit office, as he will be notified as soon as a decision regarding his move is reached.

FOOTBALL MAKES DEBUT

THE FIRST INTERSECTIONAL FOOTBALL GAME WILL TAKE PLACE THIS SATURDAY AFTERNOON ON THE SENIOR HIGH SCHOOL GRIDIRON, WHEN THE INVADING DENSON HIGH SCHOOL VARSITY ELEVEN WILL CLASH WITH THE ROHWER CENTER LIGHTWEIGHTS.

Due to the fact that Rohwer high school doesn't have tackle football on their athletic schedule, the local All-Center team will substitute for them.

The Rohwer lightweight gridders will be chosen from the three 135 pound teams in this center, the Joker Y's and the two Stockton squad. Handling the coaching duties for the lightweight will be Bruno Kitagawa, Shiro Morimoto and George Furuoka.

Densonians are coached by Dick Kunishima, former Whittier college star and will probably field a well organized eleven.

B' PICKUPS BLAST T.ABO 5-1 TO AVENGE LOSS

George Kagawa Hurls Four Hitter

Getting sweet revenge on Tak Abo and the Denson Class "B" All-Stars, the Rohwer Pick-Up "B" All-Stars defeated them, 5-1, behind the four hit pitching of southpaw George Kagawa who had the Jerome batters eating out of his hand.

The Pick-Ups were all-out for victory this time as they blasted "no-hit, no-run" Tak Abo from the

mound in four short innings. They shoved across two runs in the initial frame, when Denson's George Toyama bobbled Otto Okazaki's grounder and he scored on Kaz Ito's singles, Ito then made third on the right-fielder's error. Sat Oune drove out a long fly to deep center to drive in Ito.

The local added their third run in the third can to on three walks and a wild pitch.

Rohwer finished their scoring in the fourth inning, when Nobi Tanimoto worked Abo for a free pass, followed by Bill Hattori's driving triple to deep right field scoring Tanimoto with the fourth run and George Kagawa with a burning sharp single over second base to bat in Hattori with fifth and final run.

After being held hit-less and run-less for four innings by the speed ball twirling of Kagawa, the Densonians put over their only run on two scratch hits by Yosh Tachino, and Tak Abo.

Portsider Jim Tsukamoto held the Pick-Ups to no run and two singles for the remainder of the game after relieving Abo in the fifth.

Slim Bill Hattori and Shiro Mizufuka led the batting parade with two hits apiece. Hattori also got the longest hit of the day, a triple.

Playing outstanding defensive games were shortstop Sat Oune and third baseman Sambo Kamibayashi.

GOOD NEWS AND BAD'

REPRINTED FROM THE PACIFIC CITIZEN:

The criticism has been made, and often by those who are most sincerely interested in our welfare, that the PACIFIC CITIZEN presents only unfavorable news, that its columns are depressing, fearful and harmful to nisei morale.

It is true, of course, that many news stories in our columns are what might be termed "unfavorable" to the nisei.

But it is also true that what has happened to the nisei, and what is happening today are often very unhappy things. Evacuation was not a pretty story, nor is incarceration in relocation centers. Resolutions demanding blood from the nisei do not make good reading, nor do tales of what certain west coast politicians and pressure groups are doing to harm the nisei make pleasant news.

But unless we know the nature of our enemies and the nature of the weapons they use, we cannot carry on any effective fight against them. The things that have happened to the nisei can happen again unless we are on guard every minute of every hour.

We cannot afford to indulge in escapism--now or ever again. The escape mechanisms we employed when we lived on the west coast made us easy prey to party politicians; to infringements upon our rights.

We cannot afford to forget evacuation. While it is true that from now on we must concentrate upon relocation, we must nevertheless not forget that evacuation is not a dead issue. It can never be a dead issue so long as relocation centers hold a single person of Japanese ancestry. So long as we are not allowed freedom of movement within this country, and particularly to the homes we left, evacuation is a thing accomplished. But it is not so far as we are concerned, its constitutionality remains still to be settled. Unless we are assured this precedent will not become a policy, until we know it cannot happen again, we cannot cease this fight.

The role of any newspaper or any organization that attempts to fight against great odds for the rights of a political or racial minority is seldom a happy one, for the truth is often a very unhappy thing. But so long as, week after week, the Hearst press and its imitators clamor for further restrictions against the nisei and their parents, so long as the California Joint Immigration Committee keeps the issue of the nisei alive, so long as small and large groups hammer away at politicians to deport all persons of Japanese ancestry--so long as these conditions exist, we must continue, week after week, to hammer back at the so persons and these groups with the only weapon we have--the truth.

If all the nisei ceased today to keep alive the issues of evacuation, it would not die. Our enemies are keeping it alive. Our aim is to see that the nisei have this weapon of truth.
